### POLICY

## 1. School profile

Anakie Primary School, located in a rural setting at the base of the Brisbane Ranges, recorded an enrolment of 69 students in 2025. Enrolment numbers continue to reflect the local demographic, with consistent interest from families seeking a personalised and community-focused education.

A supportive, creative and flexible culture enables staff, students and families to work collaboratively to design and deliver learning experiences that meet the diverse needs of all students from Foundation to Grade 6. Our core objective remains healthy and holistic growth. We ensure every child is challenged through high expectations, supported to build resilience, and provided with opportunities to experience success in order to reach their full potential.

Strong community connections remain a key strength. Our School Council and Parents and Friends Association actively support school improvement initiatives, fostering a positive, inclusive and caring environment where every child is known and valued.

The 2025 staffing profile included six classroom teachers, two specialist teachers, a tutor, education support in every classroom, an experienced wellbeing team, Out of School Hours Care staff, a Business Manager, Assistant Principal and Principal. Staff prioritise strong relationships with students, recognising that connection underpins engagement and achievement.

Students benefit from small class sizes, differentiated teaching and personalised learning goals. Our school values of Respect, Responsibility, Resilience and Excellence are embedded across all teaching and learning experiences.

Specialist programs include Physical Education, Visual Arts, Performing Arts, the Stephanie Alexander Kitchen Garden Program and Auslan. Students also access the MARC Van fortnightly and participate in sporting opportunities through the Moorabool Valley Association, along with enrichment and extension programs such as the Victorian High-Ability Program.

Student wellbeing remains a priority through the implementation of Respectful Relationships, Berry Street Education Model and School-Wide Positive Behaviour Supports. Parent and staff opinion data continues to reflect strong satisfaction and a positive school climate.

Anakie Primary School remains committed to delivering high-quality education within a connected rural community, ensuring every student thrives academically, socially and emotionally.
